

It is Facilities Management protocol to forward all reporter and student project requests to the AVP for consideration. Requests that seem most prepared in terms of identifying the purpose, agency, or class represented, faculty sponsor and contact information, time line, and a list of questions will be more likely to be able to be accommodated. Due to Facilities Management work load and staffing all requests cannot be accommodated, or perhaps not accommodated within the requested timeline.

Please forward the above requested information along with your contact information via email to:

Tonya Jones  
Interim Assistant to the AVP

Thank you for your interest.
