2	FO-342893 Maint. Work Order	3/22/2016	3/22/2016	0	High	Someone dragged an 8 foot table into the women's restroom (the larger one) in the classroom building. It is propped up and could easily tip over onto someone, especially since you can't see it until you come around the corner from the door. Please ask someone in facilities to remove the table asap as I don't want one of our students or faculty members to be injured.
