

WARREN PSC'S

PHASE 1 - ORANGE
(5/14/18 - 6/4/18)

PHASE 2 - GREEN
(6/4/18 - 6/25/18)

PHASE 3 - BLUE
(6/25/18 - 7/16/18)

PHASE 4 - YELLOW
(7/16/18 - 8/13/18)

LEGEND

- Proposed Conduit/Equipment - 
- Truck Route - 
- Pedestrian Route - 
- Existing Manhole - 
- Pedestrian Fence -

ANTHONY WAYNE

XFMR to State Hall needed to be moved further east. Conduit needs to avoid greenbelt directly north of Chemistry building generators because WSU intends to build out generator enclosure in future.

Chemistry Generators

MH location actually further north

Bio Science ISO-DN XFMRs moved to north of building (near gas meters)

FLAGGER USED TO ASSIST WITH TRUCKING/PEDESTRIAN TRAFFIC
